CERTIFICATE OF INSURANCE MUST BE PROVIDED WITH RESERVATION FORM

Please add Bennett Brothers Yachts/Cape Fear Marina as an additional insured on your policy.

You will not go on the list without proper insurance documentation.

All hurricane emergency rates are based on the transient rate of \$2.50 per foot/per day for slips or \$2.00 per ft per day for dry storage with a minimum stay of 2 nights. A VISA/MasterCard/Amex is required to place your name on the reservation list. **Your card will not be charged until you have been contacted and you have confirmed your intended arrival at the marina. This fee is non-refundable once activated even if the hurricane threat passes or you decide not to come to the marina. All reservations are "First-come, First-served".**

All owners bringing their boats in are expected to properly tie and secure all exterior canvas such as biminis, dodgers and sails. Owner agrees that they will be solely responsible and liable for any losses, injuries or deaths to property or persons as a result of any acts of omission or commission of its employees, agents or subcontractors or the un-sea-worthiness or lack thereof of the vessel. Owner further agrees it will indemnify, protect and hold harmless BBY from any and all claims, demands that may be made against BBY arising by reason of the aforementioned, irrespective of whether or not such losses, damages, injuries or death may have been caused by or resulted from or were contributed by the fault or negligence or breach of contract by BBY, its agents, employees or subcontractors. Should additional securing be required by our staff, the owner will be billed "Time and Materials" at a rate of *\$90.00 per hour (**1 hr minimum**) plus any materials required. Chafing gear is required on dock lines and if time and manpower allow will be added and invoiced by BBY if not equipped by owner.

A reservation does not guarantee a slip or yard space but will assure the opportunity of being on our reservation list. Slip and yard space will be dependent on actual availability at the time of the hurricane. Slip and yard availability vary at any one time and therefore affect space for those seeking storm refuge. The only way to guarantee a slip is to rent one for the season. (June 1st – Nov. 1st) Call today for slip rates.

All services provided during a hurricane are on a first-come, first-served basis. Hurricane rates become effective once our area has been put under a **Hurricane Watch or when the President or General Manager of BBY has determined it is imperative to begin hurricane preparations for the safety of all vessels and personnel involved.** At this time, we will try to contact you to confirm your arrival at Cape Fear Marina. When your arrival is confirmed payment in full must be received at that time. The Yacht Owner understands that this is **non-refundable** once it has been paid, even if the **Hurricane Watch** is cancelled or your plans change.

We will make every effort to contact you. In the unlikely event we cannot, your name goes to the bottom of the list and called later if time permits.

All boats must arrive during BBY's business hours of 8 a.m. to 5 p.m. Monday through Friday. However, please call to see if that has changed due to storm conditions. Once BBY employees have left the yard to secure their property, no other boats will be allowed to enter the marina or yard.

Yacht Owner grants BBY permission to operate vessel during hurricane preparations only if necessary (**1 hr minimum, \$90 per hour charged for moving vessel**). If the Yacht Owner does not agree to let BBY move the boat, a captain must remain on the boat at all times.

BBY will haul boats as long as weather and tide conditions permit. Once conditions become unsafe for personnel or vessels as determined by BBY, hauling will stop. **NO EXCEPTIONS.**

ONCE WEATHER CONDITIONS ARE CONSIDERED SAFE AND THE RIVER IS DEEMED OPEN FOR SAFE PASSAGE BY THE COAST GUARD, BOATS WILL BE LAUNCHED AS DETERMINED BY THE SERVICE MANAGER.

NOTE: The Cape Fear Memorial Bridge (910.251.5773) and the Isabel Holmes Bridge (910.251.5774) stop opening once winds reach 40 mph. Please contact the bridges on Channel 13 or 16 or by phone for updates.

Haul, Block and Launch – up to 64'	\$15.00 per foot
Over 64'	\$17.00 per foot
Wet Slip – length of boat	\$2.50 per foot/day – min. of 2 days
Dry Storage – length of boat	\$2.00 per foot/day – min. of 2 days
Additional Securing – time & materials	\$85.00 per hour (min. of 1 hour billed)

THE DAY AFTER THE HURRIANCE PASSES, OUR NORMAL RATES WILL APPLY FOR DOCKAGE AND YARD STORAGE.

I have read and agree to the above policy and rates.

Due to time constraints during hurricane preparations, BBY cannot guarantee we will be able to get to each and every vessel. Therefore we strongly recommend your vessel is hurricane prepared and secured at the beginning of hurricane season.
