

# Catamaran Central

June 17, 2009

Our 24' wide, 70-ton Travelift continues to be a catamaran magnet. We currently have four cats in on the hard and one at the dock.

In the yard we have a PDQ 44, a Lagoon 41, a Lagoon 40, and an Island Packet 35. In the water for long-term dockage is a Manta 42.
